

REMARKS

Notice of Non-Compliant Amendment

A Notice of Non-Compliant Amendment dated July 5, 2005 was sent indicating that the amendment made in the Transmittal Letter dated March 25, 2005 should be on a separate paper. This amendment to the specification section "CROSS-REFERENCE TO RELATED APPLICATION" has been presented above. Consideration and entry of this amendment is respectfully requested.

Petition Dated July 14, 2005

The paper entitled Correction of Application Papers dated July 14, 2004 and referring to the Preliminary Amendment dated March 25, 2005 was treated as a Petition by Applicants to add a sheet of drawing containing Figures 2A-2D. A Decision on Petition dated April 25, 2005 issued denying entry of this sheet containing original Figures 2A-2D.

Therefore, Applicants' are proceeding with the application without original Figures 2A-2D. The above amendment to the Drawings is to re-label original Figures 2E-2J as Figures 2A-2F respectively. A copy of the original three sheets of informal drawing of Figures 2E-2J showing the changes in red is submitted herewith. Upon entry of this amendment three sheets of Formal Drawing show Figures 2A-2F will be submitted.

In accordance with MPEP § 601.01(g) applicants submit that Figures 1-7 (including original Figures 2E-2G (proposed by this Amendment to be Figures 2A-2F) meet the requirements of 35 USC § 113 (first sentence). In accordance with MPEP § 601.01(g) the above amendment to the specification has been proposed to delete reference to the Figures originally identified as Figures 2A-2D and to renumber original Figures 2E-2G as new Figures 2A-2F.
